

With heritage comes
SECURITY
 with agility comes
INNOVATION

Who we are

A tier 1, Government owned telco, with 120 years' experience in telecommunications, JT is dedicated to delivering world-class products and services to meet your evolving business needs. Corporate business growth demands fast, efficient and secure communications. With expansion into new markets and territories, the requirement for robust and resilient solutions is paramount to remaining competitive.

JT are an established and competitive telecommunications provider in the Channel Islands, providing world-class services and technology across the globe, with currently over two thousand active business customers.

Our proven track record of providing communication solutions, services and support reflects our commitment and drive to ensuring your telecommunications solutions are as productive and reliable as your business. Our continued success with large global corporations gives us the confidence to say that you're in safe hands with us.

Understanding the complexities of Corporate business needs

We know that one size does not fit all. We understand the challenges faced by established enterprises and have the capabilities and experience to assist.

Our teams of telecommunications experts work with you to find the right response to your immediate and future needs, delivering tailored solutions and flexible support to help improve and develop your business.

Whether your business requires productivity, cost-effective and secure infrastructure, or global connectivity, we understand and anticipate what's needed to ensure your business is headed in the right direction, for the long term.

OUR VISION IS TO BECOME THE PARTNER OF CHOICE FOR GLOBAL TELECOMMUNICATIONS INNOVATION

1+ million subscribers

600+ roaming partners

11 locations

600+ global employees

2200+ business customers

WE HAVE AN INTERNATIONAL PRESENCE ACROSS EUROPE, ASIA, AUSTRALIA & THE UNITED STATES

We are your business partner

More than a supplier, we're your business partner invested in your success. With an end-to-end consultative approach, our focus is delivering real strategic value and competitive advantage.

Our partners benefit from our strong expertise across all industries, including both private and public sectors. With a customer-centric culture, our agile and talented sales, technical and support teams are always available to help.

Contributing to the future of communications

We invest heavily in cutting-edge innovation and work closely with our network of accredited global partners to bring you the right solutions to help your teams optimise technology for your business.

Our vision and direction is focused on being the partner of choice for global telecommunications innovation, and we are committed to keeping you and your customers at the heart of everything we do.
